

#### SEMINAR PAPER PRESENTATION:

The Seminar Paper presentation is a vital component of the Youth Conclave 2018. It aims to provide scope to students to write and present papers before an audience. It's an important activity as it allows one to think rationally, helps organise and channelises one's thoughts, makes one more articulate, and boosts confidence thereby developing the personality.

**Theme: *Beyond Frontiers: Act East Policy, challenges and prospects.***

Sub-themes:

- # Asian Highway: The Highway of Prospect
- # Tourism and Act East Policy
